The Hartford Hymn

Above the highest clouds it soars
And 'cross the ocean blue,
The Blue and White of Hartford High
Will make our dreams come true.

Oh, we will lift our banners high
And Cheer for all our worth.
We think this mighty school of ours
The best upon the earth.

We'll be so loyal to our school
And carry on the laws
And ne'er forget throughout the day
The meaning of its cause.

Foreword

We, the Staff, have tried to capture in this Yearbook, the most pleasant memories for all the seniors and students of Hartford High. We hope that through the years, as you turn the pages of this Yearbook, it will bring back to you the memorable events of your happiest year.

We hope that the fine traditions of past yearbooks have been maintained for the 1963 Yearbook.

All of us hope that your years at Hartford High have turned out to be fruitful ones, and that you will all have the best of luck and success in your future years.

This Page is Dedicated to Mr. Wheeler

The Class of 1963 wishes to thank you for the many tasks you have undertaken and dutifully completed in behalf of our class and school. Particularly were we impressed by your instructions in cheerleading and help to the majorettes.

The Class of 1963 sends its best wishes to a teacher and friend.

A Brief History: 1891 — 1908 — 1963.

With the construction on the new high school started in November of 1962, it is fairly certain that the class of 1963 will be the last class to graduate from the "hallowed halls" of old Hartford High on Barnes Avenue. It is fitting, therefore, that we present a brief historical account of secondary education in our town.

The first high school in our town was located on the top floor of the old Grammar School, what is now the renovated Municipal Building. It was known as White River Junction High School and two were graduated in the first class of 1891. Classes continued here for the next sixteen years.

The present Hartford High School opened its doors in September of 1908 on a tract of land purchased for the sum of $3500. There were four classrooms and an assembly hall with a small stage and balcony. In this day of expansive gyms, capable of seating thousands, it is hard to believe that under the assembly hall was a space that served as a gym for that era. The present heating plant now occupies that space.

By the twenties the building was too small and many additions began to be made. Shop classes took over the old gym. Home Economics and Art moved to the Practice House across the street. Manual Training moved into the basement and Typewriting went in over the balcony. During this time basketball games were held in the Gates Opera House, the present second floor of the J. J. Newberry Store.

By 1934 an addition was authorized by voters at a cost of $60,000 and an auditorium to cost $40,000. The new rooms were ready by 1935, but not enough money had been appropriated to complete the gym. More money was voted in 1935 and digging under the auditorium (the hard way) was completed with WPA funds in 1935. Still short of money, another vote for funds had to be made to complete the basement in 1937.

By the fall of 1938 it was necessary to move the junior high school into the building because of crowded conditions in the old Grammar School. In 1952 the junior high and freshman class moved out when the new Memorial School was completed.

In 1959 there began a long series of surveys, discussion groups, village informational meetings, and a total of five regular and special town meetings before appropriations were finally passed for construction of a four year senior high school. The total cost is to be approximately $1,250,000. With full construction "steam ahead" it is hoped the students will enter the classrooms in September of 1963. When completed, along side the Memorial School, the town may boast of having one of the finest school plants in Vermont.

We, the class of 1963, wish to congratulate the School Board members and Supt. John A. Freitas for the many months of "hard labor" that went into winning the town's approval for our new school. They may console themselves with the thought that nothing worthwhile is easily won.

Fortunate are the classes to follow 1963---and good luck and best wishes to them.

Principal's Message

The Class of 1963 will soon take its place on the alumni roster of Hartford High School. What does this mean? It means the termination of many close associations which, for some, have extended over a period of twelve years. It is the beginning of a new phase of life in the area of your choice. Here is the proving ground for which the school has tried to prepare you. Now it is your turn to carry the ball.

Your record as a class is indicative of a bright future. You have written a fine record in the many facets of high school life. For this the Faculty wishes to commend you.

You go forth with our best wishes. Our interest in you will not end with your graduation. We hope that you will return often to visit us and that you will keep us posted on your future endeavors.

Good Luck, members of the Class of Nineteen Sixty-Three.

Senior Class President's Message

I believe that the class of 1963 has contributed much toward the betterment of Hartford High School. In turn H.H.S., and especially the faculty, have given us the all important foundations for our lives. We certainly have something to be proud of, something to be thankful for, and something to look forward to.

The spirit and cooperation is truly outstanding and I sincerely hope that it will continue and help you toward more successful lives.

Mrs. Anna Young Richardson

1929-1959

This page is in remembrance of Mrs. Richardson, known to us as "Miss Young."

As we, the Class of 1963, were the last students of "Miss Young" we feel particularly grateful to her for her unselfish efforts in our behalf. Whenever our class wished for something, "Miss Young" made it come true. For this, we could never thank her enough.

If the reward for self-denial for the benefit of others is happiness, "Miss Young" will be eternally happy.

The memory of "Miss Young" will long serve as a guide, a reminder, and a motive for each and every student in the class of '63. May God bless you Mrs. Richardson.

Student Council President

Graduation brings with it an end and a beginning. It represents the end of your formal public education and the beginning of your life as an individual.

I would like to take this opportunity to wish you, the members of the Class of 1963, the best of luck in your future lives. Also, I would like to thank you, the Class of '63, along with the rest of the student body and the faculty of Hartford High School for the tremendous support and cooperation given me as President of your Student Council.

Truly, may I wish each and everyone of you students and faculty, the best of everything eternally.

Hartford - - - - 0	Rutland - - - - - - 20	Hartford - - - - 6	Windsor - - - - - - 12

The team faced one of the toughest schedules in years. Despite the lack of experienced players, a new coach, and crippling injuries, our boys still came through with flying colors and a 4-4 record.

With two outstanding seniors, Doug Falzarano and Bob Hackett, out with injuries HHS won the opening game with Woodstock 13-0 and a 26-6 victory over Middlebury the following week. Then came losses to Springfield and Rutland. HHS then came through with an upset by dumping favored Bennington 12-7. Despite the 14-0 loss to Brattleboro, second ranked team in Vermont, the boys covered themselves with glory by holding the "Bratts" scoreless for three periods. In the final game our team lost a heart-breaker to Windsor 12-6, as Windsor scored the final touchdown with only 80 seconds to go.

Much credit for the 4-4 season goes to the outstanding group of seniors: Co-Captains Dan Aher and Dick Cross, Chris Stone, Jerry Abbott, Rod Akers, and Ray Stanford. Dan Aher was selected to the All-State first team, the first Hartford player to be so honored in many years. Honorable mention went to Chris Stone, Jerry Abbott, and Dick Cross.

Congratulations to our new coach, Mr. McCanna, for a job well done.

The Hartford High basketball team had a hot and cold season as it finished with an 8-11 record. Losing seven of its first eight games the outlook for a good season was dismal. As the season progressed and the boys got more experience, they began to exhibit much better team effort and finished the latter part of the schedule with a 7-4 record.

Highlights of the season were victories over Bellows Falls and Woodstock, both going on to the Vermont State Finals at Middlebury. Our team victory over Lebanon by 14 points after losing to them at home was another fine win.

The seniors who will be greatly missed next year are Captain Jerry Abbott, Dan Aher, Dennis Clay, Doug Falzarano and Ray Stanford.

Dan Aher was awarded the Bob Hanley trophy for his fine play throughout the season. Captain-elect Gary Smith was selected on the Twin State All-Star team.

Next year Hartford High will play an Independent Class "L" schedule as it withdraws from the Twin State League.

The Junior Varsity had a rough season with a 5-14 record.

Despite the fact that the Varsity started out the season without a single letter winner from last year, the 5-8 record compiled by the team could be considered as being fairly successful.

Several exciting games were played. Perhaps the most sensational one of the year was our 27-26 victory over Stevens High from Claremont, N. H. That game was won in the final fraction of a second as Dianne Briggs' winning basket went through the hoop as the horn was blowing the end of the game. Senior Pat Learmonth was the team high scorer with 112 points in 13 games.

Next year promises to be a good one. With the exception of one senior, the entire team will be returning. A number of the girls should be very bright prospects for next year's squad.

The Junior Varsity record was 3-7-1. This team set some kind of a scoring record in reverse with its 4-2 victory over Windsor. Freshmen and sophomores made up the Junior Varsity and prospects are good for next year.

The field hockey team experienced a fairly successful season with a 3-3-2 record. Every game played was a close contest and in three of the games the result was uncertain until the last minute. Perhaps the most exciting game of the year was the 0-0 tie with Hanover on our own field. Fairly good crowds gathered at all games.

The captains for the year were three seniors: Sue Rising, Cheryl Chase, and Barbara Hazen. All played with a spirit of victory and deserve much credit for their sportsmanship.

Next year's prospects look fairly good. The Junior Varsity lost their first game to Hanover 3-0, but defeated them in a return game 2-1. J. Bomhower, C. Alexander, and S. Ratcliffe should be outstanding on next year's team.

The Hartford High 1962 baseball season was a successful one, ending with a 7-6 record. There had been hopes for a better season, but considering all the factors involved it was not a disappointing one. We placed third in the Connecticut Valley League standing.

Coach Dyer got a "headache" early in the season when his outstanding pitcher, Doug Falzarano, came up with an early season sore arm and was unable to do any hurling from that time on. Fortunately a discovery was made in sophomore, Larry Batchelder, who turned out an outstanding performance at a time when it was sorely needed. The two outstanding victories of the season were registered over Springfield and Bellows Falls.

Both Batchelder and Falzarano will be back for service for the 1963 season. Lost by graduation are Bruce Wheeler, Roger Donahue, Ron Bebeau, Bryon Potter, and Manager Leslie Perry.
